## ACKNOWLEDGEMENT OF COUNTRY

TAFE SA acknowledges the traditional owners of the land on which our campuses are located. We pay our respects to their Elders past, present and emerging and extend that respect to other Aboriginal and Torres Strait Islander Peoples. TAFE SA is committed to honouring Aboriginal and Torres Strait Islander peoples' unique cultural and spiritual relationships to the land and waters.

Artwork: Peter Watts, Kurta Tirkandi – Learning Place

# OUR RECONCILIATION JOURNEY

***In Australia, education has a rich and vast history – Aboriginal and Torres Strait Islander cultures have been learning and sharing knowledge on this continent for at least 65,000 years. As an educational institution, TAFE SA is inspired by this tradition.***

We're also aware of the pain that colonisation and dispossession have caused, and the impact that this continues to have on communities. Reconciliation is, therefore, an important and ongoing process centred on strengthening the relationship between First Nations and non-indigenous Australians. At TAFE SA, we are on a continuous journey to cultivate trust, respect, understanding, and inclusiveness within the organisation.

We seek to implement necessary programs and measures to ensure Aboriginal and Torres Strait Islander students and staff feel culturally safe and empowered. In May 2020, coinciding with National Reconciliation Week, we were proud to launch our first conditionally-approved Reconciliation Action Plan (RAP). This plan is a framework for cultural change that affirms our commitment to reconciliation by building greater awareness and providing increased opportunities for Aboriginal and Torres Strait Islander staff and students.

If you identify as an Aboriginal or Torres Strait Islander student, you'll have access to TAFE SA's Aboriginal Access Centre throughout your study. The Aboriginal Access Centre delivers a variety of programs in metropolitan, regional, and remote areas, and helps with enrolments into TAFE SA courses. The Centre also offers mentoring by Training Support Officers, who will act as a link between you and your lecturers, and assist you in developing your individualised learning plan. See page 18 for more information.

Since the early 1980s, TAFE SA has had a presence in the Anangu Pitjantjatjara Yankunytjatjara (APY) Lands, providing key support and training services for local communities. Currently, we have six learning sites in the APY Lands that offer work readiness and work skills. We're immensely proud to work with local stakeholders and community members to deliver tailored training solutions.

Whether you're interested in vocational education and training, a university pathway, or a short course, you will be supported and guided throughout your studies at TAFE SA. We are committed to helping each student achieve their educational and career goals.

# WHY TAFE SA?

## I AM...

### **A SCHOOL STUDENT**

Gain a TAFE SA qualification while completing your South Australian Certificate of Education (SACE), including school-based apprenticeships, courses designed specifically for school students and the TAFE Guarantee for SACE Students (TGSS). See page 14 for more.

### **ABORIGINAL OR TORRES STRAIT ISLANDER**

Ace your studies with support from TAFE SA's Aboriginal Access Centre, including tutoring and fee help. See page 18 for more.

### **ALREADY IN THE WORKFORCE**

Enhance your skills to switch or boost your career, or study our regulatory and licensing courses that meet specific workplace requirements, such as working with children or safety compliance.

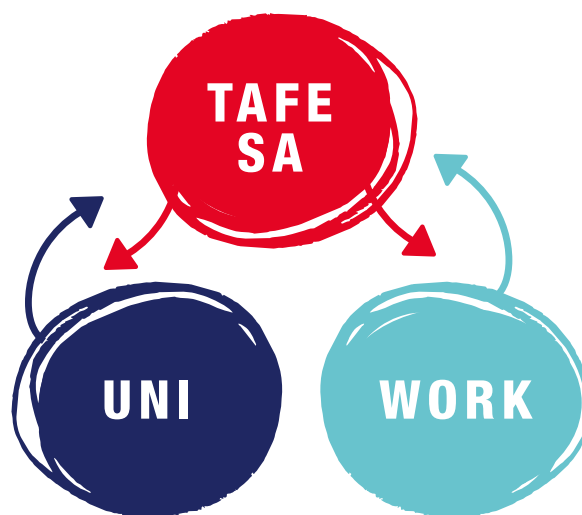

### **LOOKING TO ENTER THE WORKFORCE**

Set yourself up for success with our range of foundation and entry-level courses, which will prepare you to enter the workforce. This includes literacy, numeracy and women's education courses.

### **AN INTERNATIONAL STUDENT**

Whether you are looking for an award course, a packaged pathway to university or simply wishing to improve your English language skills, we have courses to suit. See [tafesa.edu.au/international](https://tafesa.edu.au/international)

## I WANT...

### A PATHWAY TO UNIVERSITY

Secure your future with a TAFE SA dual offer course, where you can gain guaranteed entry into a connected university degree after successfully completing a TAFE SA qualification. Credit transfer is also available for many courses. See page 15 for more.

### TO CHANGE CAREERS

With courses available online, part-time, off-campus and after hours, TAFE SA's flexible learning options allow you to fit in study with your lifestyle. Our courses are developed with industry to ensure you graduate job-ready.

### TO LEARN FROM HOME

Study online to suit your lifestyle. Watch lectures from your local café, the home office, or anywhere you can find an internet connection! See page 12 for more.

### TO LEARN ON THE JOB

Earn money from day one while you undertake an apprenticeship or traineeship. See page 12 for more.

### TRAINING FOR MY EMPLOYEES

Tailor training to your group, team or business with customised options. We can deliver training to benefit your organisation, and deliver it on the job, on campus or online. Visit [tafesa.edu.au/industry](https://tafesa.edu.au/industry)

### TO GAIN SKILLS FAST

If time is not on your side, upskill quickly by studying a short course. Whether you want to try something new or brush up on your skills, we have a wide range of short courses to suit. Visit [tafesa.edu.au/shortcourses](https://tafesa.edu.au/shortcourses)

### CAN'T FIND WHAT YOU'RE LOOKING FOR?

Visit [tafesa.edu.au](https://tafesa.edu.au) for more information

# TOP REASONS TO CHOOSE TAFE SA

## QUALITY

Our qualifications are nationally recognised and give you the skills that employers want. We consult with industry and make regular updates to ensure they stay that way.

## HANDS-ON

TAFE SA courses are known for being highly practical to provide the real skills you'll need to succeed in your chosen career.

## FLEXIBLE

Study fits in with your lifestyle. Choose full-time or part-time, classroom-based, external or online study.

## EXPERT

Our award-winning lecturers are experts in their field. We provide hands-on, job-ready learning thanks to our close ties with industry.

## POINTS FOR PRIOR LEARNING

We recognise prior learning and experience, which may reduce your length of study and costs. Visit [tafesa.edu.au/rpl](http://tafesa.edu.au/rpl)

## WORLD CLASS

Access the latest learning technologies through our unrivalled and award-winning specialist education centres. See page 10 for more.

## CHOICE

We have hundreds of courses available to support almost every interest or career path.

## AFFORDABLE

TAFE SA courses may be more affordable and take less time to complete than a university degree.

## STATEWIDE

With a presence across the state, we have options for everyone regardless of your location.

## SETTING THE BENCHMARK FOR QUALITY EDUCATION

- > South Australian Tourism Awards Winner of the Education category in 2014, 2015, 2016, 2017, 2018
- > South Australian Training Awards Vocational Trainer of the Year 2019
- > South Australian Training Awards Vocational Student of the Year 2017, 2019
- > South Australian Training Awards Apprentice of the Year 2019
- > Australian Training Awards Vocational Student of the Year 2017
- > Australian Training Awards Aboriginal and Torres Strait Islander Student of the Year 2018
- > Meetings & Events Australia, South Australian Awards - Winner Education category, 2017 & 2018
- > Finalist AFTA National Travel Industry Awards - Education category 2018 & 2019
- > National 2012 Restaurant and Catering Awards for Excellence – Best Italian Restaurant in Australia (won by a TAFE SA graduate)
- > SA Tourism Industry Council Awards 2014 – Winner (Education category)

**Paul Triglau, TAFE SA Lecturer // Awarded the 2019 Dr Susan V Nelle Churchill Fellowship to travel to Italy to refine his skills in artisan baking/patisserie.**

# STATEWIDE TRAINING

TAFE SA offers training at locations right across the state and online. We take training to the doorstep of South Australians by delivering courses in local facilities including libraries, construction sites, wineries, sports clubs, in the workplace, at our campuses and online.

- > Adelaide Metropolitan
- > Adelaide Hills, Fleurieu Peninsula and Kangaroo Island
- > Barossa and Riverland
- > Eyre Peninsula
- > Far North
- > Limestone Coast
- > Yorke Peninsula and Mid-North
- > APY Lands.

View courses available in your region at  
**[tafesa.edu.au/locations](https://tafesa.edu.au/locations)**

## ON THE MOVE

TAFE SA's Hair and Beauty mobile training salon 'Priscilla' is designed to deliver hair, beauty and make-up training throughout metropolitan and regional South Australia. The mobile salon offers flexible and demand-driven training options that meet the needs of students, schools and employers.

# SKILLS IN DEMAND

**Gain the skills employers want with TAFE SA. Our qualifications are relevant and up-to-date to ensure the students of today are the successful employees of tomorrow.**

Here are some of the growing industries TAFE SA can prepare you for:

## DEFENCE

Over the next 50 years two major naval shipbuilding projects will provide thousands of job opportunities for South Australians:

- > Twelve new “Attack Class” submarines designed by French company, Naval Group.
- > Nine new navy frigates with anti-submarine capability, called the “Hunter Class”, to be built by ASC Shipbuilding and BAE Systems.

TAFE SA is meeting the needs of the South Australian defence industry by delivering courses that provide skills for people to work in this exciting field. View more at [tafesa.edu.au/defence](https://tafesa.edu.au/defence)

## RENEWABLE ENERGY

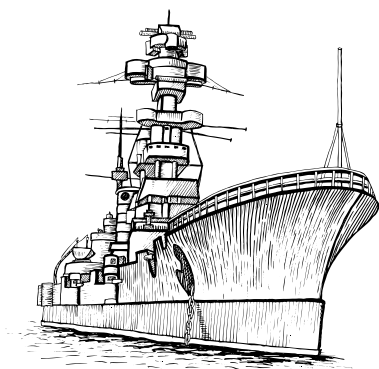

The South Australian Government is committed to maximising the economic and job opportunities associated with renewable energy and energy storage projects to help meet both our energy needs and Australia’s Paris climate emission agreements.

Focus areas include large-scale renewable energy generation and storage, demand-side energy, and supply-chain development of low-carbon technologies.

TAFE SA is ready to equip students with the skills needed to succeed in this exciting industry with our Electrical and Renewable Energy courses.

## HEALTH

The South Australian Government has identified health and medical industries as a key growth sector for South Australia. TAFE SA will play an important role in skilling the next generation of workers in the health industry in our multi-site health training facilities including our new health learning precinct at the Adelaide City Campus and our Dental Clinic and Dental Technology Laboratories at Gilles Plains. TAFE SA learning environments support students in health qualifications to gain the industry experience, skills and knowledge for success in their careers.

## CYBER SECURITY

Cyber security is set for extraordinary growth, with an estimated 11,000 new jobs to be created in Adelaide over the next decade thanks to the opening of the Australian Cyber Collaboration Centre.

To ensure South Australians are ahead of the game, TAFE SA recently launched a state-of-the-art Training Security Operations Centre (see page 11), which provides training for highly sought-after cyber security professionals to help stem the worldwide growth of malicious cyber activity.

In addition, TAFE SA offers the Certificate IV in Cyber Security (22334VIC), the first national skills-based certificate level qualification, giving our graduates the skills they need for employment in the cyber security industry.

# SPECIALIST CENTRES AND VIRTUAL LEARNING

**ACCESS THE LATEST LEARNING TECHNOLOGIES THROUGH OUR UNRIVALLED AND AWARD-WINNING SPECIALIST EDUCATION CENTRES AND DISCOVER OUR NEW VIRTUAL LEARNING EXPERIENCES.**

**TAKE A VIRTUAL TOUR OF OUR TONSLEY CAMPUS AT [TAFESA.EDU.AU/TONSLEY](https://tafesa.edu.au/tonsley) STAY TUNED FOR MORE VIRTUAL CAMPUS TOURS COMING SOON!**

## ADELAIDE COLLEGE OF THE ARTS

Purpose-designed to achieve excellence in arts training, Adelaide College of the Arts is where students can live and breathe their passion for arts and design. At every turn you'll find highly specialised spaces to hone your talents and develop practical skills – from film and TV, computer generated images (CGI) and visual effects (VFX), digital media, and sound and technical production, to acting, dance, visual arts, fashion and photography.

## TONSLEY

TAFE SA's Tonsley campus provides nearly 45,000m<sup>2</sup> of world-class, energy-efficient, trade training infrastructure for the \$15 billion South Australian building and construction industry. Tonsley brings together all the building trades under one roof, enabling you to learn and work together with other trades, just like you would on a real work site.

## VIRTUAL SHIP ENGINE ROOM

Explore your studies in 3D! The virtual environment of a ship's engine room provides invaluable context and builds your understanding of the complex systems and constraints that need to be taken into account when designing naval vessel interiors.

TAFE SA and Odyssee Aus Engineers developed this new digital learning opportunity for our students and those interested in the naval shipbuilding industry. Visit [tafesa.edu.au/defence](https://tafesa.edu.au/defence)

### **REGENCY INTERNATIONAL CENTRE**

Immerse yourself in the world of cookery, hospitality, bakery, butchery and food processing at the Regency International Centre. Boasting a state-of-the-art brewery, cheese making facility, coffee academy, wine sensory rooms, training bars and restaurants, commercial kitchens and bakeries, students learn in-situ gaining real hands-on experience.

### **MINING, ENGINEERING AND AUTOMOTIVE CENTRE**

Access the latest technologies in learning at the Mining, Engineering and Transport Centre. This purpose-built training facility supports the growth in the mining, civil and mechanical engineering, advanced manufacturing, transport and defence industries. Facilities include high-bay workshops, mining training practice drill rig and drill pad, land information systems survey equipment and computer software, CAD suite, advanced manufacturing 3D scanning and printing facilities, CNC mills, guillotines and plasma cutters.

### **ADVANCED WELDER TRAINING CENTRE**

Learn in a simulated environment at TAFE SA's new Advanced Welder Training Centre. Home to 12 welding simulators, which are the most advanced of their kind in the world, they ensure that local welders are ready to respond to the increased demand for their skills in advanced manufacturing and as part of the naval shipbuilding program.

### **CENTRE FOR DENTAL STUDIES**

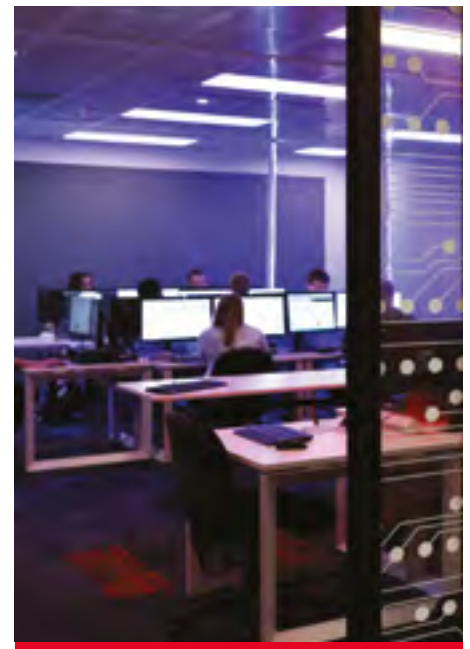

Part of the South Australian Broadband Research and Education Network (SABRENet), the Centre for Dental Studies is a 36-station dental laboratory and a 28-chair dental clinic with a demonstration area that utilises intraoral and extraoral cameras.

### **VETERINARY AND APPLIED SCIENCE CENTRE**

The Veterinary and Applied Science Centre is one of the largest purpose-built applied science and animal industries training facilities in Australia. It includes a fully functioning veterinary clinic with surgery and radiology suite, a pathology demonstration theatre with CCTV monitors, and facilities for animal holding and grooming.

### **TRAINING AND SECURITY OPERATIONS CENTRE**

Learn how to prevent cyber-security attacks at TAFE SA's brand new Training Security Operations Centre (TSOC). The facility provides hands-on simulated training for highly sought-after cyber security professionals to help stem the worldwide growth of malicious cyber activity. TSOC is the first of its kind in the state's VET sector – with a red 'attack' room and a blue 'defence' room – that mirrors real-life scenarios, simulations, testing opportunities and interaction with other TSOC's across the country. It also features the latest hardware and software from a variety of industry partners including CISCO, Microsoft, Fortinet, Splunk, IBM, HP Aruba, VMWare, AWS and Palo Alto.

# LEARN IT YOUR WAY

**WHETHER YOU PREFER LEARNING ONLINE, FACE-TO-FACE, ON THE JOB OR WHILE YOU'RE STILL AT SCHOOL, TAFE SA HAS OPTIONS FOR EVERYONE.**

## ONLINE

Study online and let study fit in with your lifestyle.

Many TAFE SA qualifications offer the option to complete some or all of your study online. You can still count on support from your lecturers, plenty of interaction with other students through email, forums and chat groups, and easy access to online assessments and study resources.

To study online you'll need a computer with an internet connection and some assessments may include online participation with other students or your lecturer via Skype.

- > Learn at your own pace and place.
- > Balance work, family and study.
- > Form virtual study groups.

## APPRENTICESHIPS AND TRAINEESHIPS

Can't wait to get a job? Studying a TAFE SA qualification via an apprenticeship or traineeship is a great option if you want to earn money while you learn.

### LEARN ON THE JOB

You can learn on the job via an apprenticeship or traineeship in all sorts of workplaces and roles – and not just in building trades. In fact, you can even start your apprenticeship or traineeship while you're still at school.

Apprenticeships and traineeships are available in a wide range of courses from animal studies, arts and design, automotive, children's education and care and dental assisting to hairdressing, hospitality, IT, local government, business and more.

For a full list of available courses, visit [tafesa.edu.au/apprenticeships](http://tafesa.edu.au/apprenticeships)

Please note: to start an apprenticeship or traineeship you will need to find an employer who will take you on as an apprentice or trainee.

### WORK-BASED

- > Receive structured training.
- > Gain a nationally recognised qualification.
- > Earn a wage.

### SCHOOL-BASED

- > Get experience in your chosen field.
- > Earn credit toward your SACE or equivalent.
- > Continue working once you finish school.

## FACE-TO-FACE LEARNING

With learning sites across South Australia, there is plenty of choice for students who prefer to learn face-to-face with our expert lecturers. Our state-of-the-art facilities ensure you have access to the latest learning technologies.

## BLENDED DELIVERY

Depending on your course, you may be able to study a combination of online, face-to-face learning, on campus and off campus.

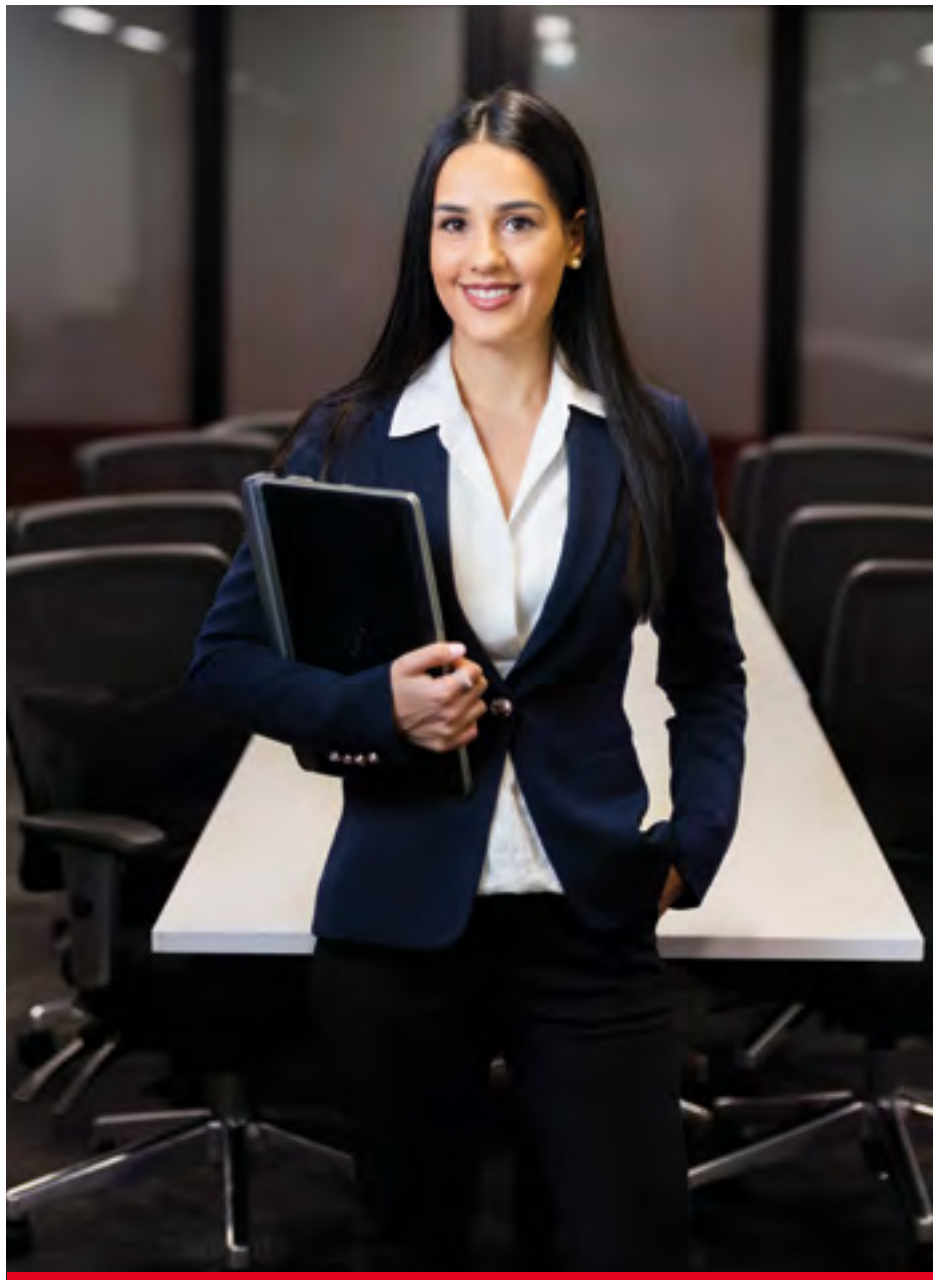

## **PART-TIME**

Many courses are available to study part-time, which allows you to fit in study around your lifestyle and work commitments.

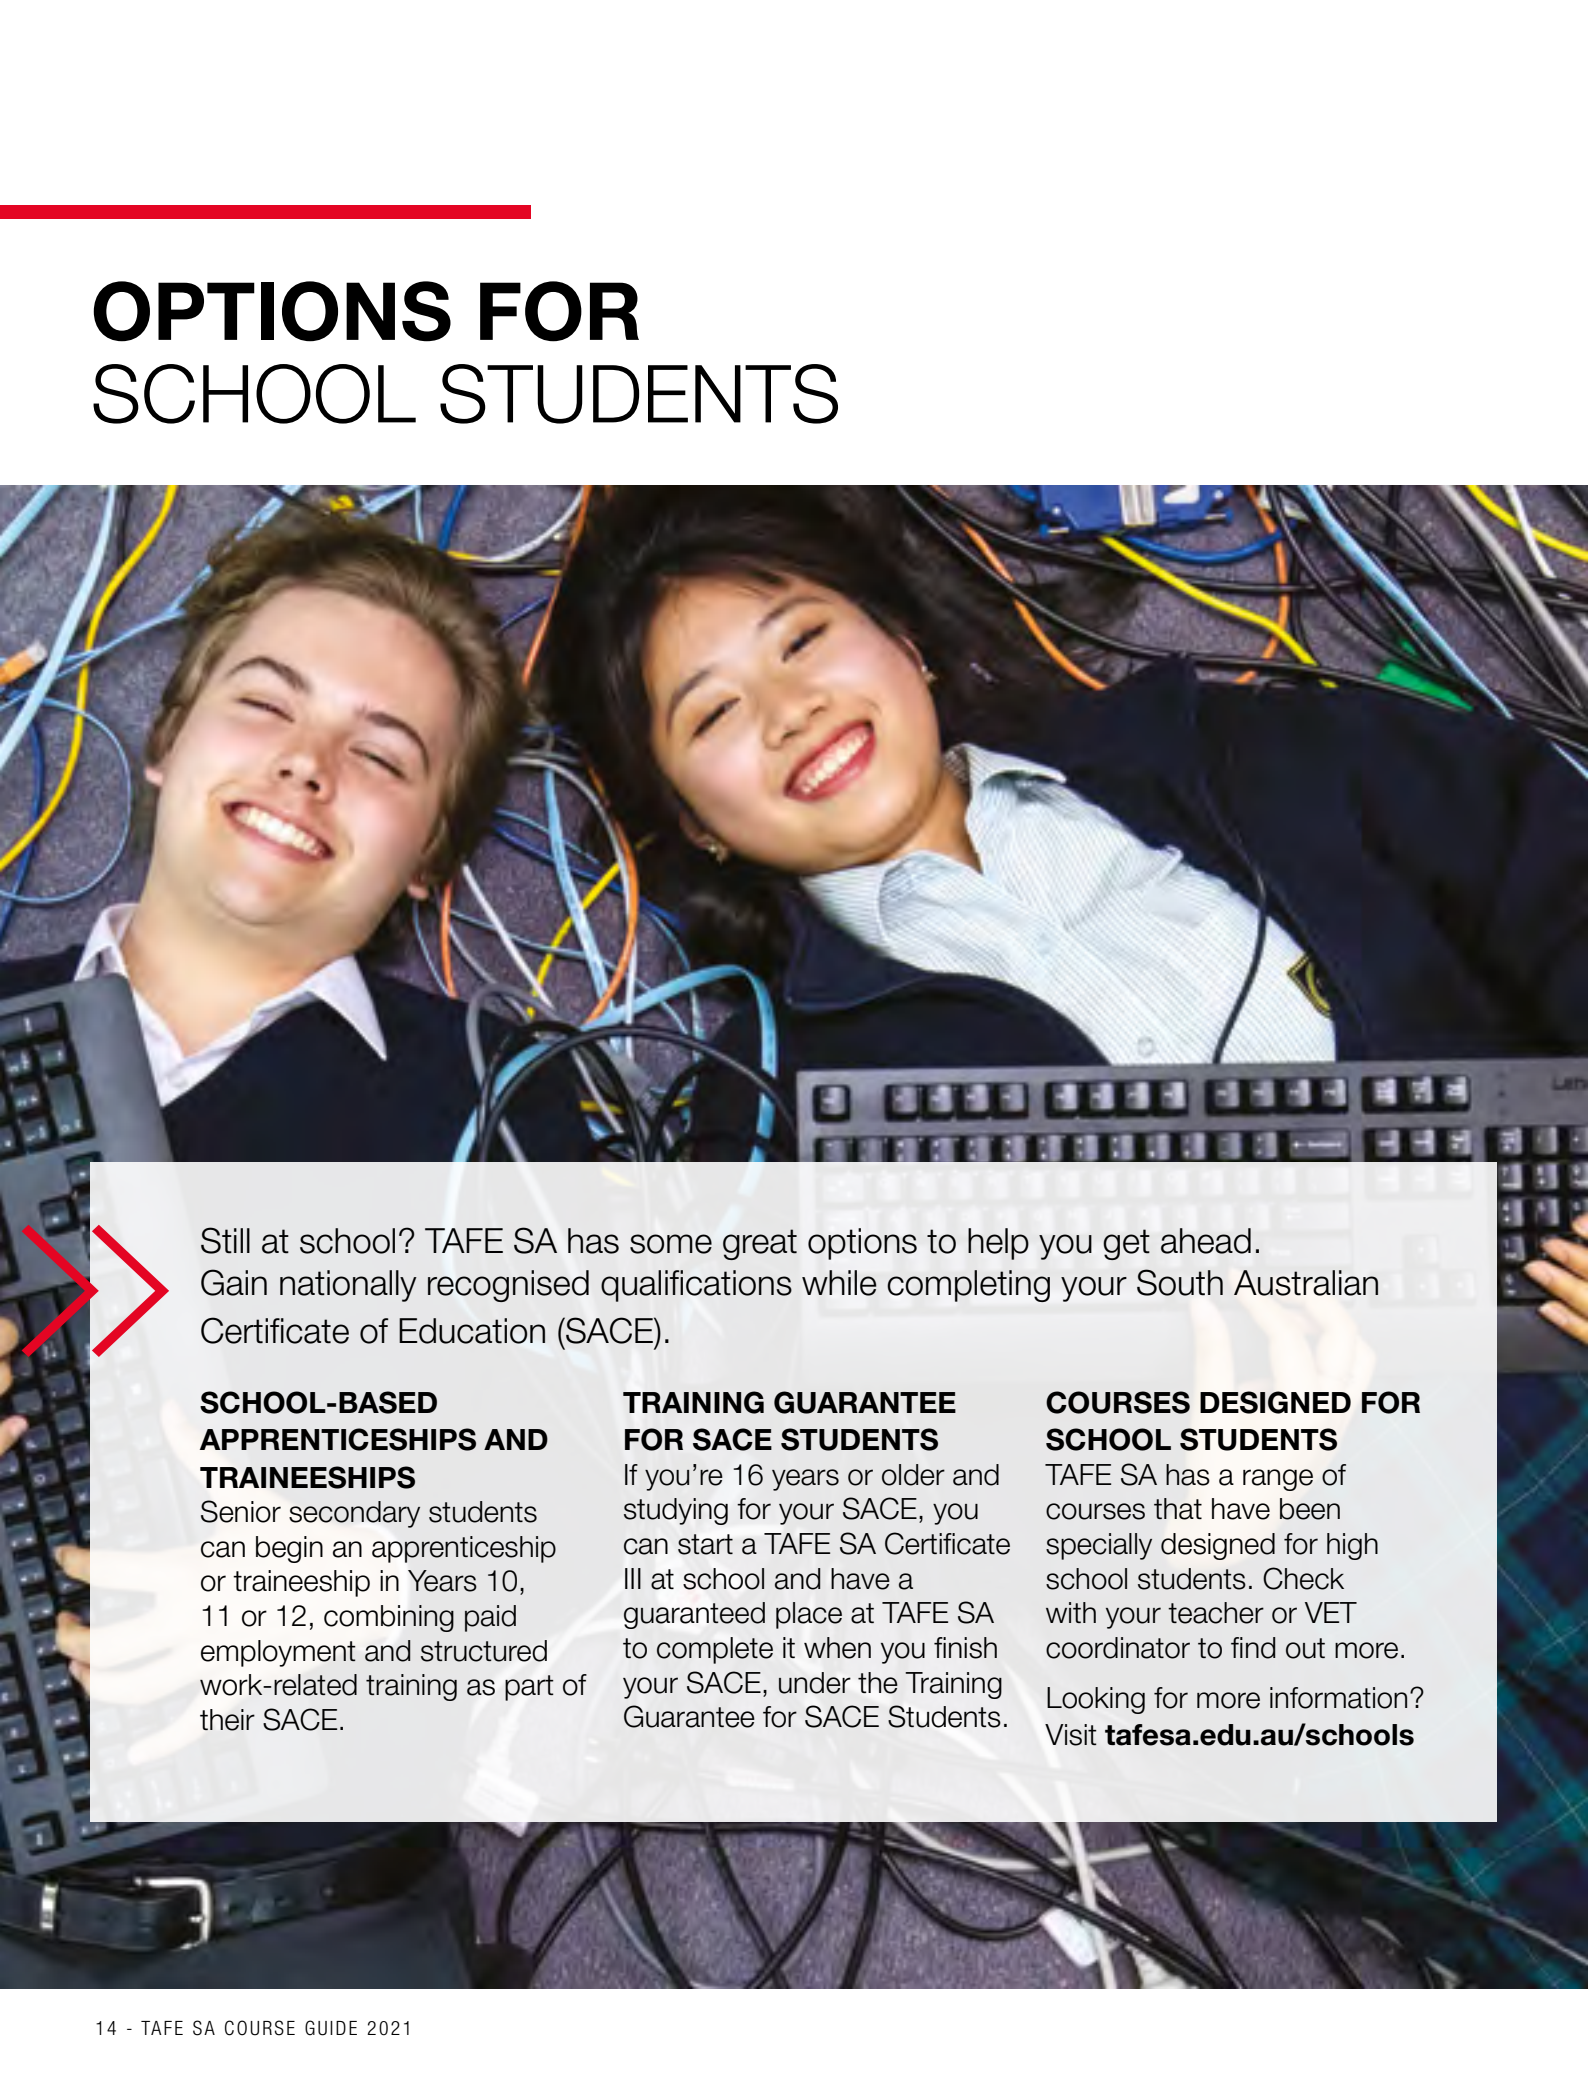

## **SIMULATED BUSINESS ENVIRONMENT**

Get experience working in a range of real-life business functions – from administration, sales and marketing to finance and purchasing – via our Simulated Business learning environment. Set up to look like a real office or retail space, it uses a simulated economy where students operate and trade online with other students across Australia.

You'll be able to take your communication, problem-solving, team-building, time-management and planning skills to the next level. Modelled on the workplaces of industry mentors and current industry practice, programs ensure students develop the skills employers are looking for.

# OPTIONS FOR SCHOOL STUDENTS

Still at school? TAFE SA has some great options to help you get ahead. Gain nationally recognised qualifications while completing your South Australian Certificate of Education (SACE).

## **SCHOOL-BASED APPRENTICESHIPS AND TRAINEESHIPS**

Senior secondary students can begin an apprenticeship or traineeship in Years 10, 11 or 12, combining paid employment and structured work-related training as part of their SACE.

## **TRAINING GUARANTEE FOR SACE STUDENTS**

If you're 16 years or older and studying for your SACE, you can start a TAFE SA Certificate III at school and have a guaranteed place at TAFE SA to complete it when you finish your SACE, under the Training Guarantee for SACE Students.

## **COURSES DESIGNED FOR SCHOOL STUDENTS**

TAFE SA has a range of courses that have been specially designed for high school students. Check with your teacher or VET coordinator to find out more.

Looking for more information?  
Visit [tafesa.edu.au/schools](https://tafesa.edu.au/schools)

# **PATHWAYS TO UNIVERSITY**

TAFE SA is a great option if you:

- > prefer the hands-on and supportive learning environment of TAFE SA
- > are seeking an alternative entry to university.

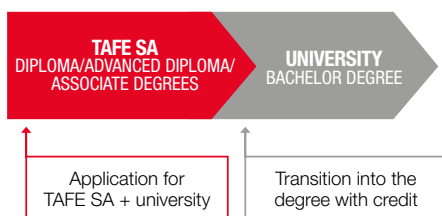

[tafesa.edu.au/unipathways](http://tafesa.edu.au/unipathways)

## **DUAL OFFER COURSES**

Want guaranteed entry to university? TAFE SA offers more than 50 dual offer courses in partnership with the South Australian public universities.

With dual offer courses, you are accepted into both a TAFE SA qualification and a connected university program.

This means that once you successfully complete your TAFE SA course, you have guaranteed entry – with credit – into university.

## **CREDIT TRANSFER**

Shorten the time it takes to complete a university degree by using your TAFE SA qualification to gain credit.

TAFE SA has many credit transfer agreements with universities for TAFE SA graduates. These can provide some advanced standing in university courses if you wish to undertake further education.

Gaining credit at university for the related study you have undertaken at TAFE SA can reduce the time and fees usually required to complete a Bachelor degree.

To claim credit, you must apply to the university in accordance with their credit transfer processes. If there is no formal credit agreement for your course, you can apply directly to the university for credit and they will assess your evidence on a case-by-case basis.

Being eligible for credit does not guarantee that you will be offered a place in a university program. Credit will normally be granted after you have been offered a place.

[tafesa.edu.au/credit-transfer](http://tafesa.edu.au/credit-transfer)

## **UNIVERSITY ENTRY**

Once you have successfully completed a TAFE SA qualification at Certificate IV level or higher, you can use this to apply for entry into many university programs. Sometimes universities guarantee admission based on your TAFE SA qualification.

## **UNIVERSITY TO TAFE SA**

Many university students also undertake TAFE SA qualifications to increase their employability by gaining industry-specific practical skills.

# STUDENT SUPPORT

## We're here to help

At TAFE SA, we strive to make our education programs as inclusive as possible to ensure students can access the opportunities and guidance they need to get the best possible learning and career outcomes.

Our highly skilled Student Services team offers specialised support and wellbeing resources for students. This includes face-to-face individual assistance at most campuses as well as via phone, email or Skype.

#### **ABORIGINAL AND TORRES STRAIT ISLANDER STUDENTS**

TAFE SAs Aboriginal Access Centre (AAC) provides support for Aboriginal and Torres Strait Islander students through a variety of programs. See page 18 for more information.

#### **CHILDCARE**

TAFE SA has childcare centres at the Port Adelaide, Port Lincoln, Tea Tree Gully and Whyalla campuses, offering students with children priority access to casual, part-time and full-time places.

#### **CAREERS AND PATHWAYS**

Our career support can help you identify what you want out of study. It includes:

- > setting vocational goals based on your strengths
- > developing a career plan
- > investigating career opportunities.

Career and study pathway guidance is available for prospective students, including those with complex needs.

[tafesa.edu.au/career-services](http://tafesa.edu.au/career-services)

#### **COUNSELLING AND WELFARE SUPPORT**

If you're experiencing problems that have an impact on your study, we can help you build the resilience and wellbeing that you need for life's ups and downs:

- > dealing with study stress
- > motivation and organising your time
- > feeling anxious or depressed
- > relationship issues or conflict
- > financial or welfare issues
- > coping with change or crisis.

[tafesa.edu.au/counselling](http://tafesa.edu.au/counselling)

#### **DISABILITY SUPPORT**

TAFE SA provides tailored support to students with disabilities, mental health and other medical conditions to make sure your learning isn't compromised. Services include information and guidance, individual access plans, assistive technology and equipment, Auslan interpreting and other specialised services.

[tafesa.edu.au/disability](http://tafesa.edu.au/disability)

#### **LANGUAGE AND FOUNDATION SKILLS**

Studying at TAFE SA requires that you have functional levels of English literacy and numeracy skills before you apply for and enrol in a course.

Foundation skills courses can help students who need assistance with reading, writing and maths as well as broader skills in communication, problem-solving, teamwork and technology that are necessary to get ready for study or work.

#### **LEARNER SUPPORT SERVICES**

Learner support services provide additional case management support for disadvantaged students. This support addresses barriers to learning, enables retention in training and helps students complete qualifications and move on to employment.

#### **LEARNING AND STUDY**

Students can access a range of flexible academic support options including access to Studiosity, our free after-hours online academic tutoring service that offers on-demand, one-on-one assistance by qualified tutors.

[tafesa.edu.au/learning-support](http://tafesa.edu.au/learning-support)

#### **LIBRARIES**

Our extensive state-wide library network provides books, magazines, videos, online resources and databases in your subject areas, in both print and electronic formats. Subject-specific resources and study guides, combined with classes in study skills and research, are designed to support your learning and study needs.

# SUPPORT FOR ABORIGINAL AND TORRES STRAIT ISLANDER STUDENTS

TAFE SA's Aboriginal Access Centre delivers an exciting and innovative range of programs to Aboriginal and Torres Strait Islander people across South Australia, including in regional and remote locations.

The Centre can also assist you with enrolment into other TAFE SA qualifications.

Artwork: Peter Watts, Kurta Tirkandi – Learning Place

## Aboriginal Access Centre

### **COURSES ARE CURRENTLY AVAILABLE IN:**

- > Digital media and technology
- > Community services
- > Health support services
- > Family wellbeing
- > Horticulture
- > Conservation land management
- > Training and assessment
- > Community development
- > Driver education.

### **LICENSING SHORT COURSES ARE ALSO AVAILABLE IN:**

- > White Card – Prepare to Work Safely in the Construction Industry (CPCCWHS1001)
- > Work Safely at Heights (RIIWH5204D)
- > Licence to Operate a Forklift Truck (TLILIC0003)
- > Enter and Work in Confined Spaces (RIIWH5202D)
- > Operating a Grader
- > Operating a Front End Loader

### **STUDENT SUPPORT**

Training Support Officers are available for students to develop individual learning plans to map pathways to higher education or employment. The Training Support Officer also works closely with lecturers to ensure you have the support you need.

### **THE ABORIGINAL TUTORIAL ASSISTANCE SCHEME (ATAS)**

provides free tutoring assistance to Aboriginal and Torres Strait Islander students who are enrolled in a TAFE SA course or training program at Certificate III level qualifications or higher. Eligible full-time students have access to up to two hours per week for 34 weeks.

### **FEE HELP**

You may be eligible for financial assistance for a portion of your TAFE SA course fees through the Aboriginal Access Centre's Equity Grants.

For more information visit  
**[tafesa.edu.au/aboriginal-support](http://tafesa.edu.au/aboriginal-support)**

# WHICH COURSE IS RIGHT FOR ME?

## STEP 1. DECIDE ON A CAREER

Choosing a future career can be a daunting task, but we're here to help. To figure out which TAFE SA course is right for you, think about what your dream jobs looks like.

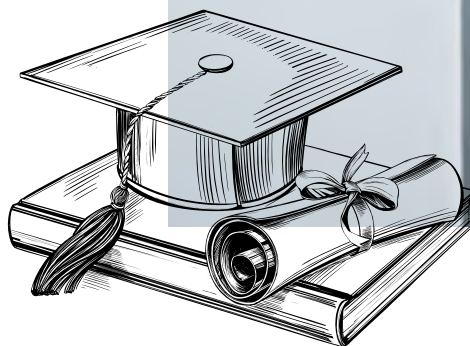

Answer the questions below to get started:

- > What motivates you?
- > Where do you see yourself in five years?
- > Do you want to work outdoors or in an office?
- > Whose work do you admire?
- > What do you enjoy doing in your spare time?
- > What did you want to be when you were younger, and why?
- > What are your transferable skills?

Make the most of TAFE SA's Career Services, which include a career planning worksheet, personal strengths analysis, personality and career motivation tests, and more. Visit [tafesa.edu.au/career-services](https://tafesa.edu.au/career-services)

**STEP 2.** Once you've decided on a career, find the TAFE SA courses available in the next section of this guide.

If you're not sure which course you need to study to get a specific job, check out the career finder on page 74.

# TYPES OF TAFE SA QUALIFICATIONS

**From basic skills to high level qualifications – we’ve got you covered!**

<b>Certificate I</b>	Gain basic skills and conduct routine tasks.
<b>Certificate II</b>	Develop basic operational knowledge and problem-solve under supervision.
<b>Certificate III</b>	Be able to use theoretical knowledge and problem-solve independently.
<b>Certificate IV</b>	Use your broad knowledge base to analyse and apply skills to different contexts.
<b>Diploma</b>	Acquire in-depth knowledge and advanced skills to work in technical or management settings.
<b>Advanced Diploma</b>	Apply complex techniques and specialist knowledge and be responsible for outcomes.
<b>Associate Degree</b>	Understand and interpret key concepts and theories in a chosen field.
<b>Bachelor Degree</b>	Apply skills based on comprehensive knowledge learnt in a professional context.
<b>Graduate Certificate &amp; Diploma</b>	Broaden existing skills or acquire knowledge and skills in a new professional area.

**PLUS** we offer over 75 short courses and skill sets designed to help you upskill fast.

# ARTS & DESIGN

## ***Creative careers for creative minds.***

Turn your creative talents into a rewarding career. Gain the confidence, interpersonal skills and networking ability to work across many diverse and exciting industries.

# LEARN IT.

## **FASHION**

Combine your creative vision with the technical skills to design and create garments. You can even transition to a bachelor degree in partnership with Flinders University.

## **FLORISTRY**

Watch your skills flourish in floral preparation, assembly and display techniques, design insights and business and customer service.

## **GRAPHIC DESIGN**

Are you a visual storyteller? Prepare for an exciting career as a graphic designer by learning how to create artwork and page layouts for electronic and print publications.

## **INTERIOR DESIGN**

Turn your flair for interior design into a career. Inject life into interior spaces in residential and commercial settings by providing advice and solutions on finishes and furnishings.

## **MUSIC & SOUND PRODUCTION**

Learn how to create your own music through composition, arrangement and performance, or operate audio equipment like a pro to edit, mix and produce recordings, all while learning about the music business at large.

## **PERFORMING ARTS**

Study acting and dance, as well as a range of behind the scenes roles. Our courses develop your personal strengths and provide you with professional skills to meet the demands of the rewarding performing arts sector.

## **PHOTOGRAPHY**

Study all aspects of photography and photo imaging, including digital post processing. Learn how to produce images for media, commercial and domestic portraits. You'll also build the skills and knowledge needed to set up your own business.

## **SCREEN & MEDIA**

Create the next Hollywood blockbuster by taking your ideas from storyboard to TV, cinema, mobile and computer screens. Gain skills in Computer Generated Imagery (CGI) and Visual Effects (VFX) or game art development.

## **TECHNICAL PRODUCTION**

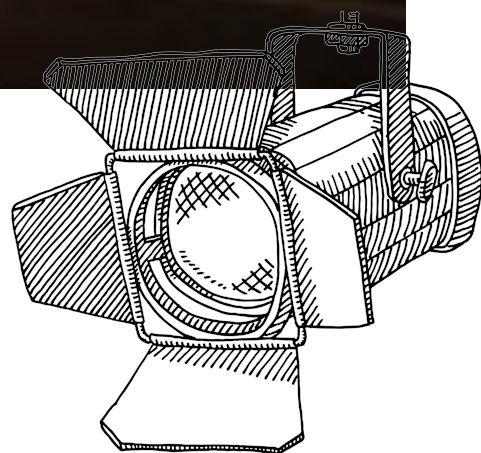

Run the show from behind the scenes. Gain skills in stage management and design, lighting, staging, set construction/ props and scenic art while collaborating with performing artists on live shows.

## **VISUAL ARTS**

Express yourself and hone your craft as you explore traditional and contemporary practices relating to ceramics, digital media, drawing, jewellery, painting, printmaking or sculpture.

# BUILDING & CONSTRUCTION

*Do you love working with your hands?*

A career in the dynamic building and construction industry could be your perfect fit.

A qualification with TAFE SA will set you up with the skills you need to excel as a professional in the industry and even run your own business.

# LEARN IT.

## **AIR-CONDITIONING & REFRIGERATION**

Get the theory and practical skills to install, maintain and repair air-conditioning and refrigeration systems in all types of settings – from domestic, commercial and industrial to military and scientific.

## **BUILDING, DESIGN & DRAFTING**

Bring your ideas to life through building design and architectural drafting for residential, commercial and industrial buildings.

## **BUILDING TRADES**

Gain the knowledge and skills required by the building industry in flooring, and wall and ceiling lining.

## **CARPENTRY & FURNITURE MAKING**

Get the skills you need to work as a carpenter, cabinet maker, furniture maker or furniture finisher, whether you want to specialise in creating contemporary furniture, domestic and shop fittings, or the construction of residential and commercial developments.

## **ELECTRICAL & RENEWABLE ENERGY**

Get future-fit in this dynamic sector with courses covering new technologies in solar power and energy efficiency. Learn how to select, install, commission and maintain electrical and electronic equipment.

## **PLUMBING & WATER OPERATIONS**

Learn everything you need to work in this essential sector. Learn how to set up water and gas supply systems, drainage systems, heating and cooling systems, and install hot water units and guttering. Or set yourself up to work with water utilities, water reuse schemes and wastewater treatment plants.

## **PAINTING & DECORATING**

Use colour and design to decorate and communicate. Our painting and decorating courses cover traditional and contemporary techniques to prepare you for a career in this industry. Learn how to apply paint and other decorative finishes to domestic and commercial buildings.

## **WET TRADES**

Whether you're keen on laying bricks or blocks, or constructing mouldings, get the theory and skills to make sure your work holds up.

## **APPRENTICESHIPS**

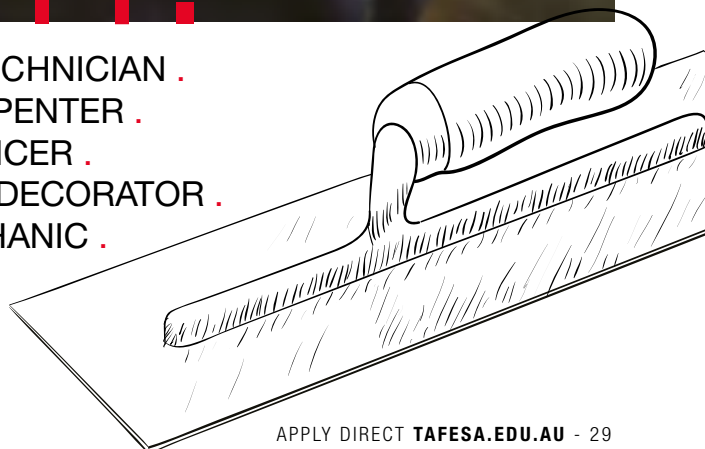

Earn money while you learn by studying your TAFE SA course via an apprenticeship. Many TAFE SA courses in building and construction can be studied as an apprenticeship. For more information visit page 12.

# BUSINESS & MARKETING

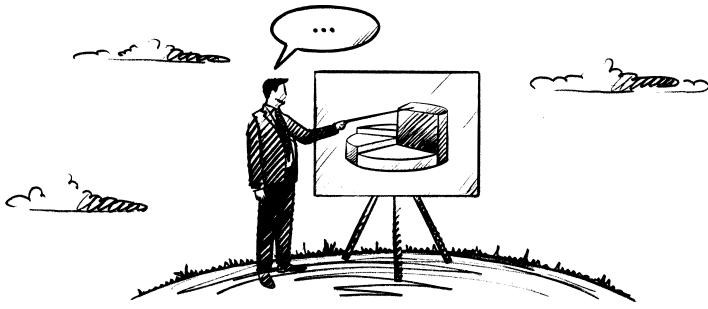

***Start your own business,  
upskill in your current role  
or prepare to climb the  
corporate ladder.***

From project management to finance, and marketing to retail – lead the way, crunch numbers or get down to business. The choice is yours.

From full-time to flexible, our courses offer a variety of options to suit entrepreneurs, intrapreneurs and everyone in between.

I studied online and gained high level administrative skills and business knowledge that I continue to apply in my full-time role within the Local Government Sector.

*Ashleigh, TAFE SA Business graduate.*

# >> LEARN IT.

## **ACCOUNTING & BOOKKEEPING**

It is not all about numbers! Provide advice, work in almost any industry and be in demand with this essential business service.

## **BUSINESS & ADMINISTRATION**

Open the door to endless possibilities with a qualification in business and administration. From start-ups, solo ventures or global companies you will gain flexible and transferable skills with a competitive edge across courses spanning the entire world of business.

## **FINANCIAL SERVICES**

A career in the financial services sector means you never stop learning. Develop the skills and knowledge required to pursue a career in commercial lending and financial planning.

## **MANAGEMENT**

Provide strategic leadership to help guide the work of others and of businesses as a whole. You'll learn about project management, human resources, information management, innovation, marketing and sustainability.

## **RETAIL**

If you love the creativity and buzz of busy retail, our qualifications can help you succeed in this dynamic industry. Prepare for a career in customer service, creative or management roles.

## **SALES & MARKETING**

Establish yourself in a dynamic and creative industry across marketing, advertising, social media, business and sales. Learn the core principles and how to apply them in a variety of industries.

## **WORK HEALTH & SAFETY (WHS)**

Gain the skills to effectively apply WHS knowledge in the workplace and manage a variety of WHS situations.

# COMMUNITY SERVICES

*Are you looking to make a real impact on people's lives?*

If you want to help build healthy, resilient communities, then a career in community services could be for you. You can work with children, older adults, people with disabilities or those in need of advocacy as part of a truly rewarding career.

### **AGED & DISABILITY SERVICES**

Prepare to work with older people and people with disability, helping them maintain their health, wellbeing and independence by designing, coordinating and delivering support services in a variety of settings.

### **CHILDREN'S EDUCATION & CARE**

Working with children at school age or during early childhood is a rewarding career choice. TAFE SA children's services and education support qualifications can prepare you for a career in education support, childcare, preschool care and out-of-school-hours care.

### **COMMUNITY & FAMILY SERVICES**

Make a difference in the lives of others with a role in community development, by working with children, older people, people with disabilities, refugees and marginalised groups, or providing counselling services that address a range of issues.

### **MENTAL HEALTH & DRUG EDUCATION**

Harness specialist knowledge of relevant laws, available services and health issues to work with clients in relation to mental health, alcohol and drug use.

### **YOUTH WORK**

Help young people develop the skills needed to make positive choices. Specific support services include accommodation, education, training and employment, and counselling.

# EDUCATION & LANGUAGES

*TAFE SA's Education and Languages courses focus on developing the skills essential for success in our society.*

Whether you're learning how to express yourself or helping others to do so, these courses can provide the knowledge you need to take the next step in your career.

# LEARN IT.

## **ENGLISH AS A SECOND LANGUAGE**

Improve your English language skills to succeed in further study, training or work. Courses are focused on students' individual language needs and incorporate speaking, listening, reading, and writing.

## **LANGUAGES, INTERPRETING & TRANSLATION**

Pursue a career in interpreting and translating or add a valuable asset to your resumé.

## **LIBRARY STUDIES**

Work in libraries, information services or other cultural institutions where you need to use cataloguing tools, understand copyright requirements, and provide support to users of multimedia technology. You can also train for support roles in education.

## **LITERACY & NUMERACY**

Build a strong foundation in language, literacy, and numeracy as a pathway to further vocational study or to enter the workforce. Units can be studied alongside your vocational course.

## **SIGN LANGUAGE**

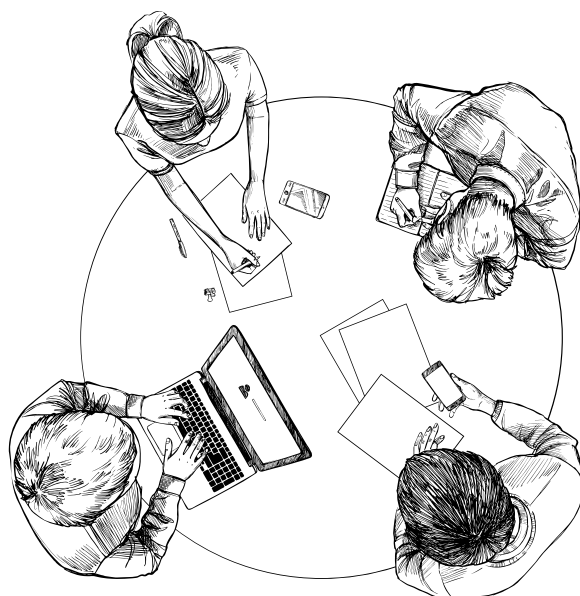

Learn how to communicate with people who are deaf or hearing impaired with Auslan (Australian Sign Language).

## **WOMEN'S EDUCATION**

Gain the skills, knowledge, and self-confidence to manage education, career, and life changes in a supportive learning environment for women. Develop literacy, numeracy, computing, self-development and work-related competencies to prepare you for future tertiary education and career success.

## **WORKPLACE TRAINING**

Get qualified to design learning programs, use training packages and courses, and deliver group-based learning.

>> WORK IT.

# HAIR & BEAUTY

*Combine your creativity and people skills with a career in hair and beauty.*

Whether you're interested in becoming a beauty therapist, hairdresser, barber, nail technician or make-up artist, TAFE SA can help you get there.

Enjoy a real-world salon experience at our in-house training facilities where you will practice hair cutting, styling and colouring, body treatments, spa therapy, facials, massage, nail technology and customer service, all while making important connections in the industry.

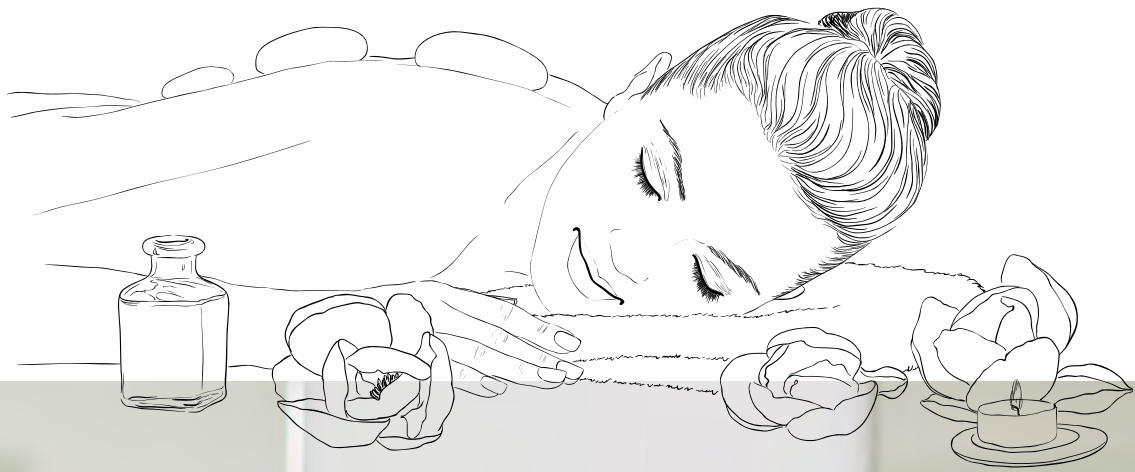

## >> LEARN IT.

### **BEAUTY THERAPY**

Learn the secrets of the beauty industry and practice your skills on real clients. Courses include beauty therapy, make-up, spa therapies and nail technology.

### **HAIRDRESSING**

Master a range of skills and techniques in cutting, styling, colouring and chemical treatments to build a career as a hairdresser or barber.

TAFE SA showed me the foundations of hairdressing and gave me practical experience working with real-life clients in a controlled and comfortable environment.

*Zoe, TAFE SA Hairdressing graduate.*

# HEALTH & LIFESTYLE

*Make a difference in the hands-on health and lifestyle industry where there is constant demand for knowledgeable, qualified staff.*

With TAFE SA health and lifestyle qualifications you can pursue a career in pathology, nursing, dental health, allied health, complementary health and fitness.

### **ALLIED HEALTH**

Develop the skills and knowledge to provide health support services in community, residential and clinical settings. You'll learn skills required by employers to assist allied health professionals, such as physiotherapists and occupational therapists.

### **COMPLEMENTARY HEALTH**

Learn to alleviate a variety of symptoms and assist with general health and wellbeing through natural therapies, like massage, that are an important part of an integrated approach to healthcare.

### **DENTAL**

Become a qualified dental assistant, hygienist or technician and work closely with dentists to care for and treat patients' teeth and gums. Courses are available in dental care fields including radiography, practice management, technology and hygiene.

### **FITNESS, SPORT & RECREATION**

Gain cutting-edge knowledge of exercise programming, training and motivation techniques to optimise the health and fitness of your clients. Learn how to become an owner/operator of your own business, or venture into the great outdoors with outdoor recreation and adventure tourism. Learn how to manage groups and maximise safety in remote areas. Gain skills in bushwalking, remote first aid, and more specialised rock climbing or sea kayaking.

### **NURSING & PATHOLOGY**

Put your strong interpersonal skills to good use in a rewarding career in nursing or pathology. Study contemporary nursing practice, law and ethics, anatomy and physiology, health disorders, medication management and clinical nursing skills. Alternatively study pathology to acquire technical expertise in the collection of blood and other specimens from patients for testing.

<b>NURSING &amp; PATHOLOGY</b>	
<b>Certificate III</b>	Health Services Assistance (HLT33115)
<b>Certificate III</b>	Pathology Collection (HLT37215)
<b>Certificate IV</b>	Preparation for Health and Nursing Studies (52831WA)
<b>Diploma</b>	Nursing (HLT54115)
<b>Diploma</b>	Nursing/Bachelor of Nursing (HLT54115) – University of Adelaide Pathway
<b>Diploma</b>	Nursing/Bachelor of Nursing (Pre-registration) (HLT54115) – Flinders University Pathway

I started studying nursing as a mature-aged student. Thanks to TAFE SA's flexible delivery I have been able to balance my studies with full-time employment and completing the course has given me newfound confidence.

*Anthony, TAFE SA Nursing graduate.*

# HOSPITALITY & TOURISM

*Does the buzz of a busy kitchen or the aromas and flavours of food and wine excite you? Do you love discovering new destinations and events?*

Then you'll feel right at home studying one of our cookery, hospitality, event management, travel or tourism courses. Whether people-skills are your strength or food is your forte, we have study options that will allow you to flourish in diverse and dynamic careers.

Megan, TAFE SA graduate //  
Winner of the 2016 Bake Skills  
Australia Competition.

### **BAKING**

Immerse yourself in the world of sweet and savoury baked goods. You'll be able to put your cutting-edge skills to good use by working in bakeries, restaurants, cafés, hotels, catering companies, or even in your own business.

### **BEER BREWING**

Learn and practice the entire brewing process, from ingredients to packaging. You'll develop your knowledge in styles and flavours, learn about beer chemistry, and strengthen your technical skills with hands-on experience using commercial microbrewery equipment.

### **CHEESE MAKING**

Discover all aspects of artisan cheese making. From cheese science and food safety to new product development and troubleshooting, this course will empower you to become an expert cheese maker.

### **COOKERY**

Become part of Australia's vibrant commercial cookery industry and get equipped with the skills and techniques you need to succeed. You'll develop your skills in food preparation, menu development, dietary requirements, and food safety in modern restaurant operations.

### **EVENT MANAGEMENT**

Launch your career in the exciting world of events. Mentored by industry professionals, you'll learn how to manage diverse events—from private functions and business conferences to festivals and exhibitions. You'll fine-tune your skills in organisation, planning, and event creation.

### **FOOD TECHNOLOGY**

Prepare for a career in the multi-billion food processing industry by studying food science and technology. You'll gain fundamental knowledge in areas of food and beverage production, including dairy, cheese making, retail meat butchery, meat processing, baking, wine, and brewing. You'll be empowered to work in a variety of roles in this innovative industry.

### **HOSPITALITY**

Learn specialist skills to forge a successful career in the hospitality sector. You can work in a hotel, restaurant, cafe, banqueting, or catering. With advanced studies, you'll also study marketing, finance, and human resource management, which can lead to employment opportunities in a variety of supervisory and management roles.

### **MEAT PROCESSING**

The meat processing industry is enjoying a resurgence due to the artisan skills needed in preparing and cooking meat. You'll learn to select, cut, trim, prepare, and display meat products for sale. You'll also develop expert skills in food hygiene and sanitation, knife sharpening and humane animal handling.

### **TOURISM**

Expand your horizons and prepare for a fun and rewarding career. You'll receive training in tourism operations, product development, and managing visitor experiences.

### **TRAVEL**

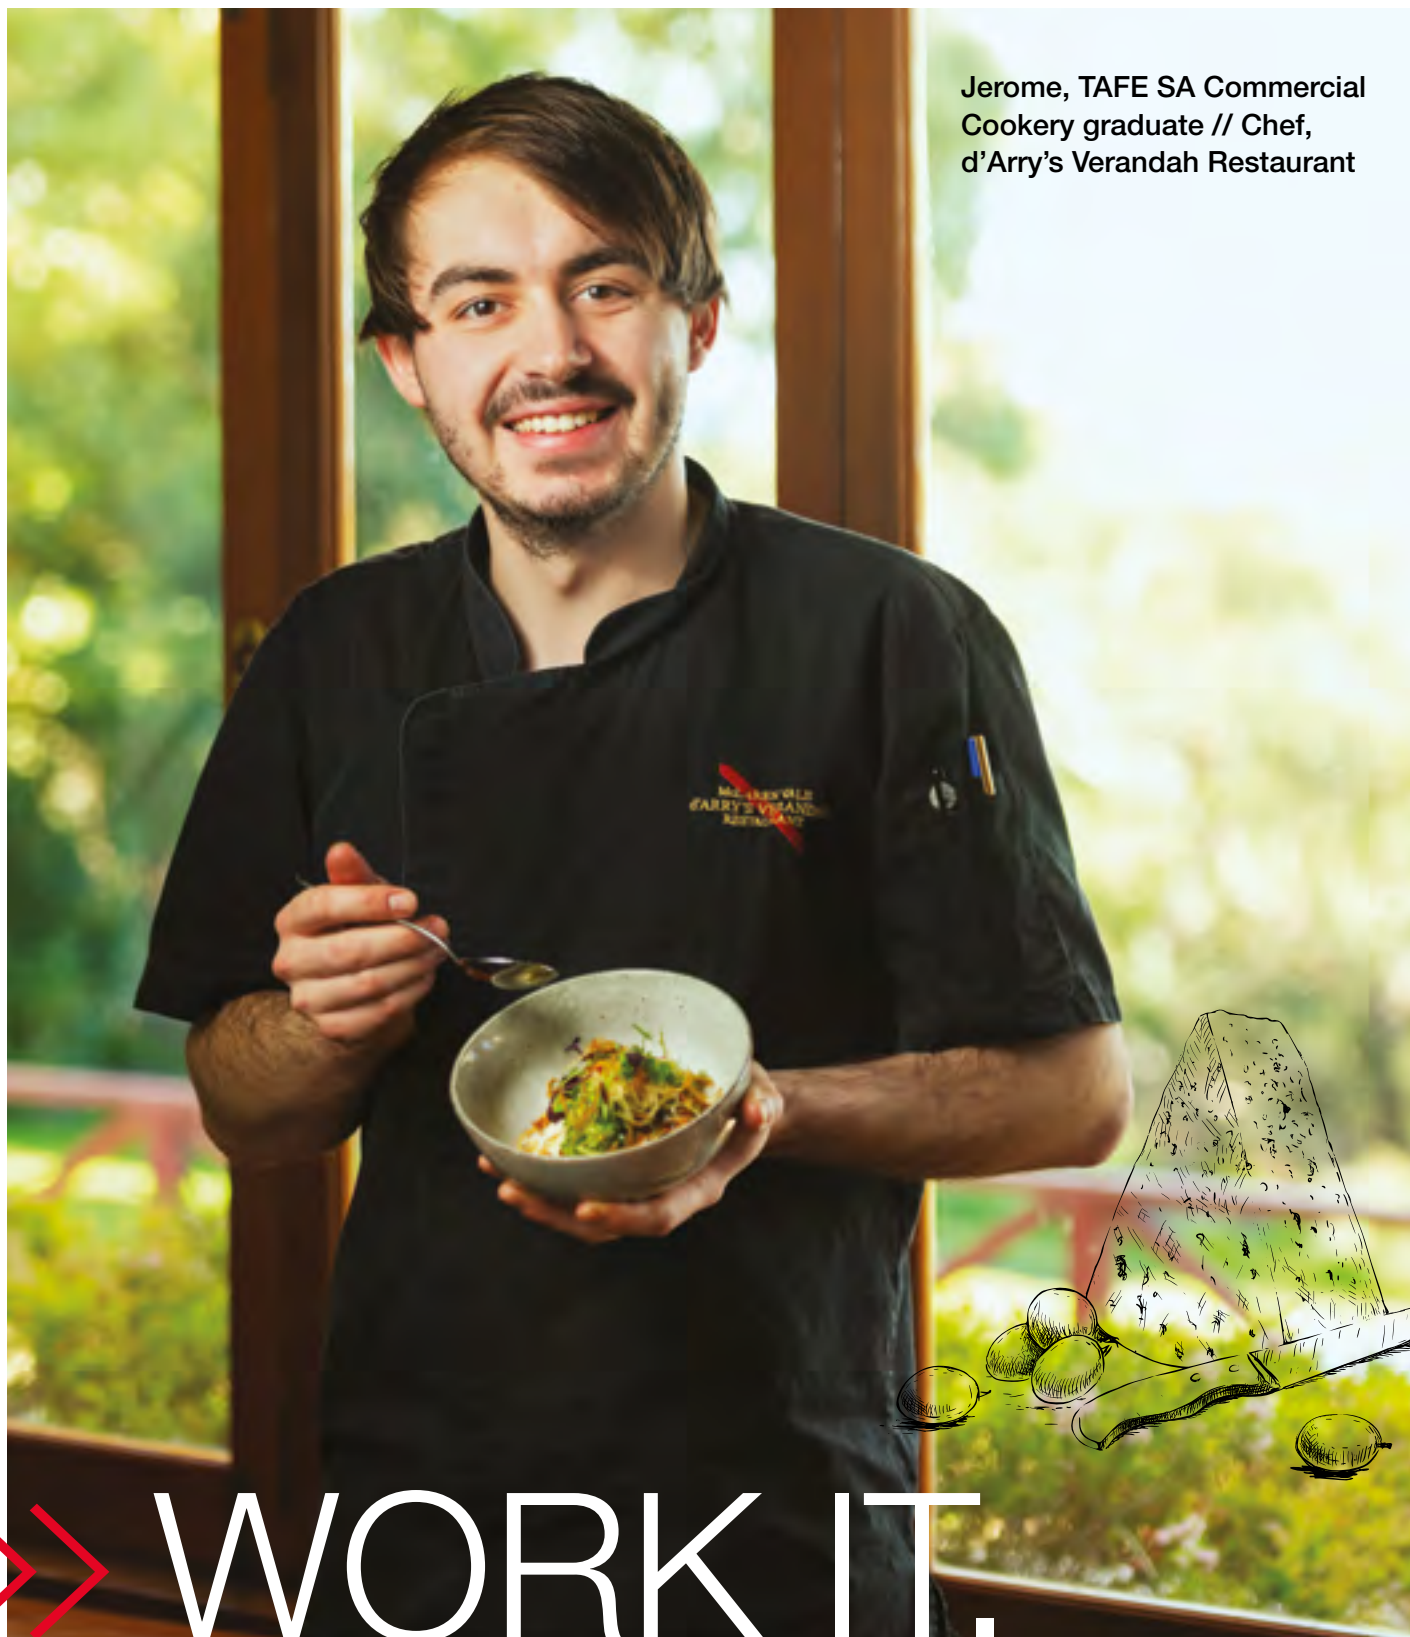

Develop your knowledge of destinations far and wide. Our courses will give you access to professional knowledge and opportunities as you learn from industry experts.

### **WINE & SPIRITS**

Delivered by industry experts, learn comprehensive product knowledge and tasting skills, covering the significant wines and wine regions of the world. Learn about the main types and styles of wine and spirits, grape growing and wine making, as well as food pairings, labelling laws and bottling and packaging. For courses in Viticulture, visit page 68.

Jerome, TAFE SA Commercial  
Cookery graduate // Chef,  
d'Arry's Verandah Restaurant

# INFORMATION TECHNOLOGY

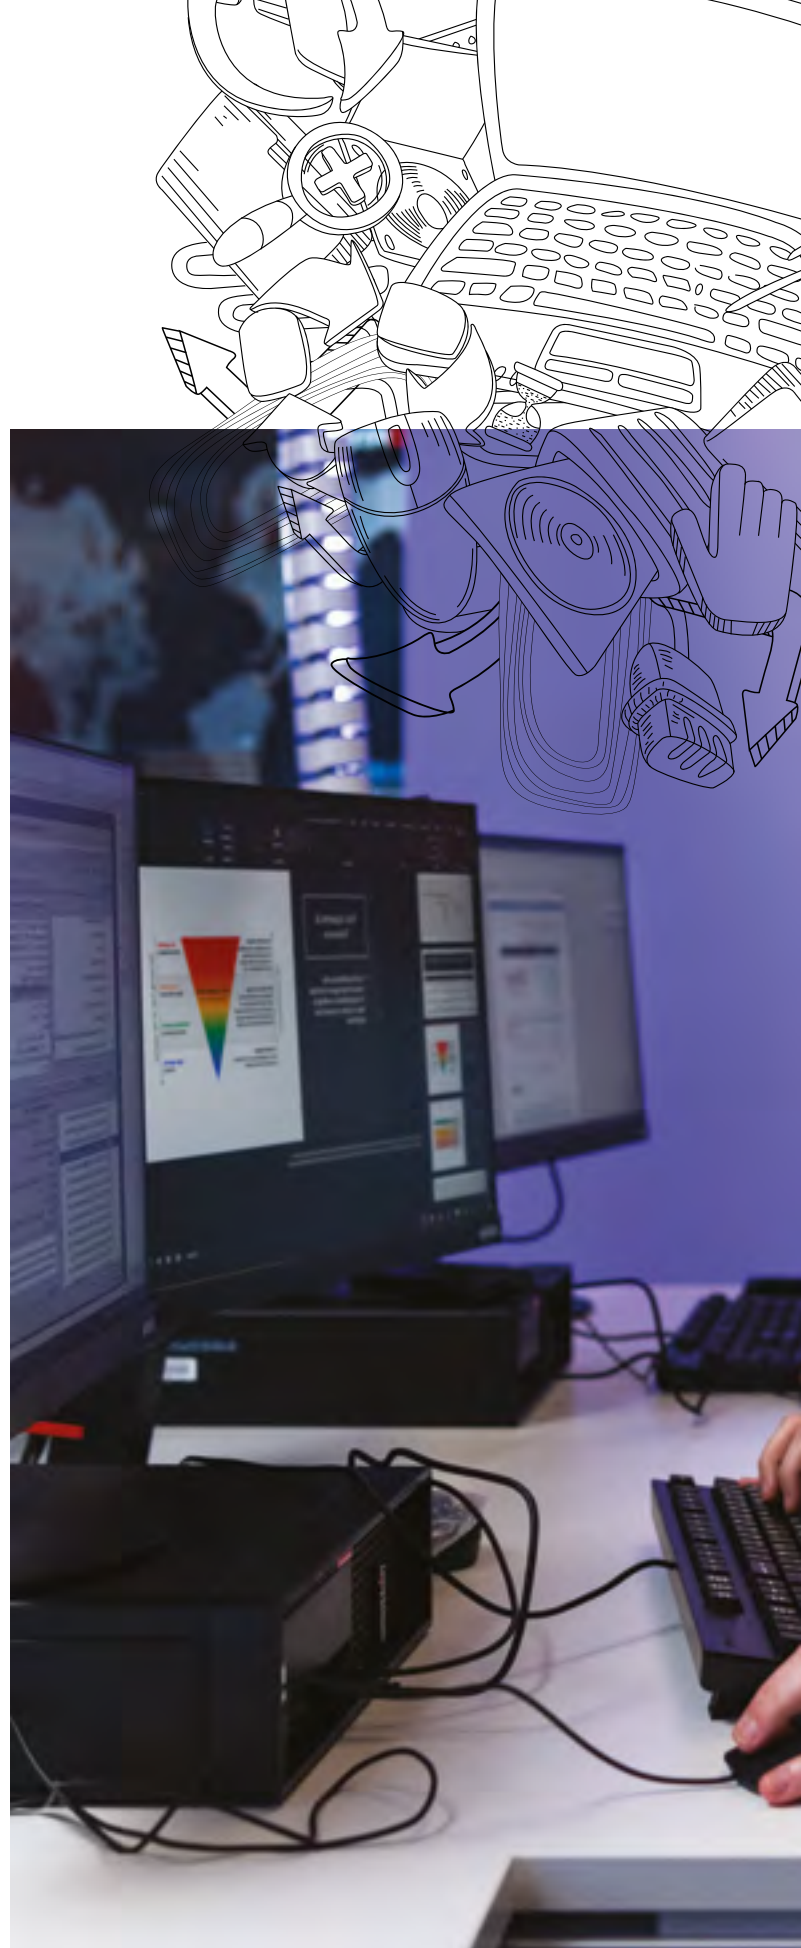

*Information Technology (IT) is heavily relied upon in the modern world, every single day.*

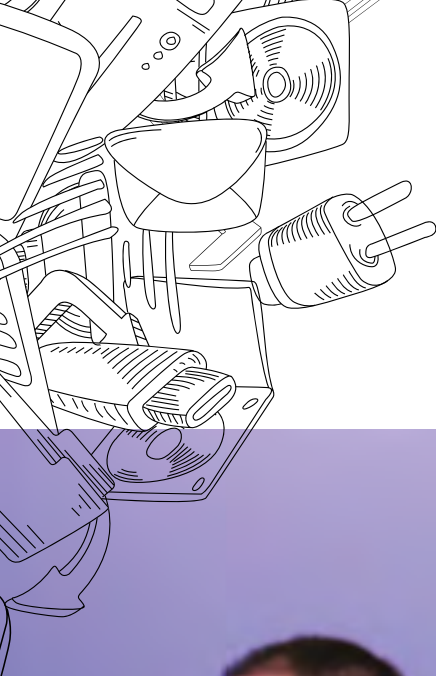

From using an app on your phone, to governments around the world protecting online data and information through cyber security, it is all possible thanks to IT. Be a part of this exciting industry by gaining hands-on, practical training at TAFE SA.

TAFE SA IT courses are linked to industry-specific technologies and certifications, with industry supplied training software, equipment and curriculum, so you can be sure your training is relevant and current.

## TRAINING SECURITY OPERATIONS CENTRE

TAFE SA's new state-of-the-art Training Security Operations Centre provides training for highly sought-after cyber security professionals to help stem the worldwide growth of malicious cyber activity. See page 11 for more information.

## IT INDUSTRY CERTIFICATION

Sit certification exams to formalise your existing technical expertise and gain industry recognised qualifications. TAFE SA can also help individuals prepare for certification exams by conducting a skills gap analysis of training needs. Certifications include Fortinet, Microsoft Office and MTA, EC-Council Security, CCNA including cyber security.

**Visit [tafesa.edu.au/itcertifications](https://tafesa.edu.au/itcertifications)**

# LEARN IT.

### DIGITAL MEDIA

The demand for digital literacy is now higher than ever. Upgrade your digital skill set, gain competency in a wide range of general ICT technical functions to achieve a degree of self sufficiency as an advanced ICT user.

### IT SUPPORT

Get a broad working knowledge of systems used by organisations including hardware, software and networking, plus security, database management and troubleshooting.

### NETWORKING & SECURITY

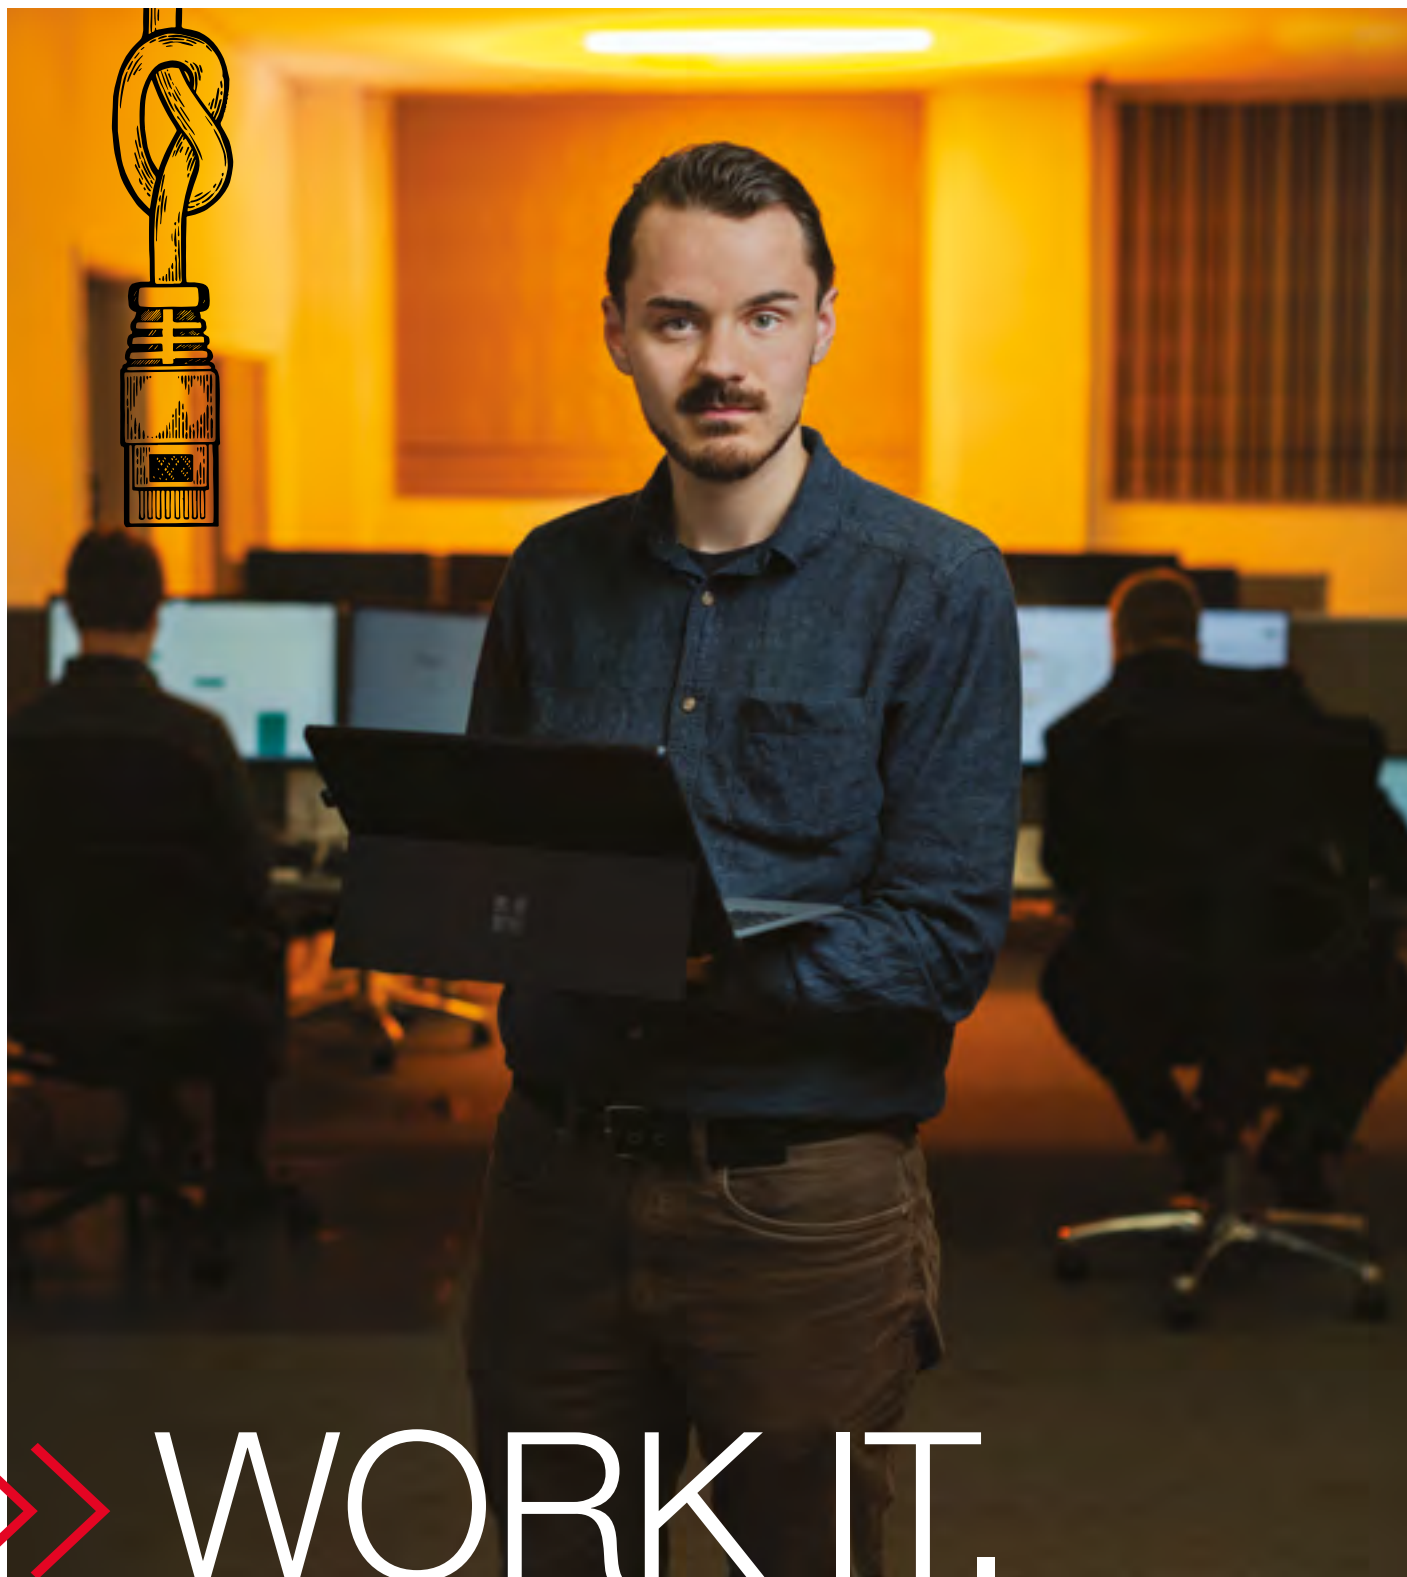

Work with the latest Information and Communication Technology (ICT) hardware, software and facilities to learn how to design and administer ICT networks in a range of settings. Study cyber security and learn how to monitor the risks of security attacks, implement appropriate software, develop systems to minimise network vulnerabilities and risks, and more.

### SOFTWARE DEVELOPMENT

Dreaming of Silicon Valley? Learn how to develop mobile and web applications for Windows, iOS and Android operating systems.

### WEBSITE DEVELOPMENT

Set yourself up as a website developer, designing, creating and optimising websites by integrating databases and following technical protocols and standards.

# MINING, ENGINEERING & AUTOMOTIVE

*Our hands-on qualifications in mining, engineering and automotive will ensure you graduate skilled and ready to tackle your dream career.*

Our courses range from entry-level training and apprenticeships to advanced courses for para-professionals, and pathways to university. Plus you'll have access to the latest technology and equipment.

Looking to study a course via an apprenticeship? Visit page 12 for more information.

“ To any females considering doing a trade I’d say if you are determined and passionate enough about your trade just do it, just get in there and do it at TAFE SA.

*Phoebe, TAFE SA Automotive graduate.*

# LEARN IT.

## **AUTOMOTIVE**

Gear up for an exciting career in the automotive industry with courses specialising in a wide range of vehicles – from light and heavy commercial vehicle to motorbikes, marine craft and more.

## **CIVIL, STRUCTURAL & MECHANICAL ENGINEERING**

Are you a problem solver? Gain the knowledge you need to excel in engineering, whether you’re already in the industry, or just getting started and need foundation skills.

## **ELECTRONICS & COMMUNICATIONS**

Electronics and communication engineering systems underpin much of modern commerce and industry, and qualified technicians are always in demand. Learn about electronics and communications, computer systems, cabling and security for a variety of roles in this ever-growing field.

## **MANUFACTURING & WELDING**

From ships to city structures, there is endless variety in this field. Learn about welding and fabrication in manufacturing and put your talents on display in an industry that is in demand across the globe.

## **MINING, INFRASTRUCTURE, OIL & GAS**

A career in the in-demand resources and mining sector lets you travel and work on projects on a varied and wide scale including extraction, processing, power generation and gas supply.

## **SURVEYING**

Want to be a community game changer? Apply your spatial planning skills to help transform our cities and landscapes, how people work and travel and how they choose to live by playing a key role in future development.

# PRIMARY INDUSTRIES & SCIENCE

*Would you prefer a career working in the great outdoors or with animals?*

TAFE SA qualifications in primary industries and science can lead to careers in animal or veterinary care, laboratory technology, conservation and natural resource management, as well as horticulture and landscape design.

I undertook a school based apprenticeship in Agriculture which gave me so many opportunities and new career perspectives. It has helped me achieve a foot-in-the-door in the Agriculture Industry and demonstrates to companies that I am interested and hard working.

*Sophie, TAFE SA Agriculture graduate // 2019 School-based Apprentice of the Year Award, SA Training Awards.*

#### **AGRICULTURE**

If your plan is to work on the land, skill up in dairy, agribusiness, livestock handling, soil, water, pest management and other farming related areas.

#### **ANIMAL STUDIES & VETERINARY NURSING**

Pursue your love of all creatures, great and small, through these hands-on courses where you can learn to perform animal first aid, capture, restrain and handle different animals, work in a clinical pathology laboratory, assist with surgery or be the first point of contact as a veterinary receptionist.

#### **AQUACULTURE**

Deep-dive into aquaculture studies to work as a technician or in management at marine, freshwater, indoor and purpose-built facilities.

#### **CONSERVATION & LAND MANAGEMENT**

Work in protecting and sustainably managing our natural resources, applying skills in identifying plant and animal specimens, revegetation, weed control, bushcare, coastal and river restoration, and management planning.

#### **HORTICULTURE**

Plant lovers can become plant professionals working as gardeners, landscapers, nursery operators and crop producers.

#### **SCIENCE**

Work in biomedical research, wine and food production, manufacturing and environmental testing labs, and medical and veterinary diagnostic labs.

#### **VITICULTURE**

Develop your appreciation of wine by learning to cultivate vines, successfully own and manage a vineyard, or focus on sensory evaluation at cellar doors. For wine industry and wine making courses, visit page 56.

# NEXT STEPS

## FOUND YOUR PERFECT COURSE?

Now it's time to find it online in the Courses section of the TAFE SA website. Click the green **APPLY NOW** button, complete your details and submit your application.

Information on intake, entry requirements, recognition of prior learning, costs and assistance options is available online for each course.

### ENTRY REQUIREMENTS

The majority of TAFE SA courses do not have entry requirements.

For courses that have entry requirements, you may need to meet certain selection criteria or course admission requirements to be accepted into a course.

This may include:

- > completing the Australian Core Skills Profile for Adults (CSPA) test which ensures satisfactory reading, writing and numeracy skills
- > portfolio submission
- > written assessments
- > auditions.

Check each course for details. Where there are more applicants than places available, the majority of courses will rank applicants by date of application. Courses with an audition or portfolio will be ranked on their scores. The number of places available varies across TAFE SA locations.

### INTAKES

Courses may have two intakes a year – semester 1 for a February start and semester 2 for a July start – or some courses have continuous intakes where offers are made throughout the year, allowing you to start in any term.

### STUDY COSTS

The cost of a course depends on the number of hours of training, the type of study involved and specialist materials required.

Courses that can potentially meet the state's workforce needs are supported through subsidised training by the South Australian Government to reduce study costs (eligibility and subsidy criteria apply).

You may be eligible for a government subsidised training place.

For more information visit [skills.sa.gov.au](http://skills.sa.gov.au) or call **1800 673 097**.

### FINANCIAL ASSISTANCE

You may be eligible for a fee concession, fees by instalments, grants or scholarships. VET Student Loans are available for selected qualifications, providing eligibility criteria is met.

Talk to TAFE SA on **1800 882 661** (freecall) about your options.

### RECOGNITION OF PRIOR LEARNING

Your previous study or work experience can be recognised when you begin further study at TAFE SA, which may shorten the time it takes to complete your qualification.

You can apply to have your previous study assessed to see where it is equivalent in content and learning outcomes to your planned study.

### CREDIT TRANSFER FOR PREVIOUSLY COMPLETED STUDIES

Credit transfer allows you to receive credit for previously completed unit(s) of competency.

It is important to apply for your recognition for credit transfer at enrolment, or as close to enrolment as possible, to confirm your final fee.

**APPLYING IS FREE SO IF MORE THAN ONE COURSE HAS CAUGHT YOUR EYE, WHY NOT APPLY?**

---
