# WHY CHOOSE TAFE SA?

INTERNATIONAL  
STUDENTS FROM

**65 COUNTRIES**

## CENTRAL CAMPUS LOCATIONS

offer specialised training facilities  
equipped with industry standard  
equipment and technology

BACHELOR  
DEGREE  
GRADUATES MAY  
BE ELIGIBLE FOR  
**A POST-STUDY  
WORK VISA**

## ELC ENGLISH LANGUAGE CENTRE

English programs to help improve  
students' English proficiency prior  
to studying an award course

## SOCIAL EVENTS

organised for  
international  
students

≥ NCVER Student Outcomes Survey 2018

~ See Department of Home Affairs website for further details.

\* Select courses, see website for further details.

# 5 REASONS TO STUDY A TAFE SA UNIVERSITY PACKAGE

1

## **Get work experience**

Many TAFE SA programs include work placements that give you valuable industry experience and make you more employable.

2

## **Part-time jobs**

Work placements undertaken as a part of TAFE SA studies may lead to part-time job opportunities in your field of study.

3

## **Pay less in tuition fees**

TAFE SA prides itself on having more affordable tuition fees than many of our competitors.

4

## **Trust and quality**

We are a trusted government organisation with some of the most impressive training facilities in South Australia.

5

## **Two qualifications**

Graduate with at least two qualifications in the time it takes most students to achieve one.

# UNIVERSITY PACKAGED PROGRAMS

## UNIVERSITY PACKAGED PROGRAMS

Our packaged programs with Flinders University, offer you an alternative way of achieving your end goal of a bachelor degree.

Successful completion of a TAFE SA Diploma, Advanced Diploma or Associate Degree guarantees\* you entry into a connected undergraduate program at one of Adelaide's finest universities. In most instances, it also reduces the length of time you are required to study at university and therefore the cost of your bachelor degree.

By applying for a University Packaged Program, students receive a joint offer from both TAFE SA and Flinders University and may apply to the Department of Home Affairs for a single visa for the duration of the whole study program.

## ADVANTAGES OF A UNIVERSITY PACKAGED PROGRAM

- > A guaranteed\* pathway to university for students who are looking for a practical pathway to university.
- > Gain industry connections during your studies at TAFE SA that can lead to part-time employment in your field of study for the duration of your university studies.
- > Graduate with a career-competitive mix of practical and theoretical skills, which is attractive to employers.

## HOW TO APPLY

If you are applying for a Flinders University Packaged Program, you only need to submit one application through the TAFE SA online application system.

Further details of the application specifics for Packaged University Offers are available on the TAFE SA website at [tafesa.edu.au/international/university-pathway-programs](https://tafesa.edu.au/international/university-pathway-programs)

\* Guaranteed only if students meet the minimum requirements to transfer to the applicable university.

# INSTITUTION PROFILES

## TAFE SA

TAFE SA is the largest government owned provider of vocational education and training and higher education in South Australia. You can choose from 80+ courses and follow pathways within your own areas of study or to university. It provides you with practical and affordable courses to help you reach your career goal.

At TAFE SA you will develop the skills employers want. We have strong relationships with business and industry, ensuring our courses are relevant and provide our graduates with work ready skills.

Our lecturers are all highly experienced, and they are active in their fields of expertise. Our teaching methods blend theory with hands-on, practical learning using industry-standard facilities and technology, so when you complete your course, you are job ready.

Many of our courses offer work placements as part of the course program. These work placements or practical skills training give you first-hand experience of the workplace, allowing you to test your skills and make valuable industry contacts.

## FLINDERS UNIVERSITY

Flinders University provides you with the skills and confidence you need to excel in your studies and your chosen career.

Our industry driven degrees, internationally recognised teachers and world-class research will enrich your learning and set you on the path to success.

Our international student services are ranked among Australia's best and we are dedicated to supporting you throughout your studies and beyond.

Total number of students: **+25,000**

Total international students onshore (Australian campuses): **+3,500**

Total academic staff: **+2,600**

CRICOS Provider Number: 00114A

Δ If students do not have Year 12 maths or overseas equivalent, they may wish to undertake the Diploma of Electronics and Communications Engineering (078960G/UEE50511) prior to this Associate Degree as a package. The Diploma will provide students with the necessary skills and knowledge in maths to receive entry into the Associate Degree.

^ The Associate Degree in Electrical Engineering will be taught 70% at Tonsley Campus and 30% at Regency Campus, and some classes may be held in the evening. More details will be provided upon commencement into the course.

\* This qualification has provisional accreditation by Engineers Australia. This accredited qualification is recognised in Australia and some overseas countries. Graduates of this course are eligible for migration skills assessment by Engineers Australia. The occupational outcome of this assessment is in the Engineering Associate (Draftsperson) category. The specific occupation code depends on the program studied and on the Engineers Australia guidelines. See the Engineers Australia website for further details: <https://www.engineersaustralia.org.au/For-Migrants/Migration-Skills-Assessment>

\*\* Students doing the package of both the Diploma and Associate Degree will undertake course units from both qualifications during the 3rd and 4th semester of the 6 semester package.

\*\*\* The Associate Degree in Electronic Engineering is accredited by Engineers Australia. Accredited qualifications are recognised in Australia and some overseas countries. Graduates of these courses are eligible for migration skills assessment by Engineers Australia. The occupational outcome of this assessment is in the Engineering Associate (Draftsperson) category. The specific occupation code depends on the program studied and on the Engineers Australia guidelines. See the Engineers Australia website for further details: <https://www.engineersaustralia.org.au/For-Migrants/Migration-Skills-Assessment>

# The Associate Degree in Electronic Engineering will be taught 70% at Regency Campus and 30% at Tonsley Campus, and some classes may be held in the evening. More details will be provided upon commencement into the Associate Degree in Electronic Engineering.

+ Students who do not have Year 12, Maths at Year 12 or the overseas equivalent, may wish to complete the package of the Certificate III in Engineering-Technical (099492A/MEM30505) and the Associate Degree in Civil and Structural Engineering (Site Management or Design Drafting). The Certificate III in Engineering - Technical will provide a foundation of Maths to prepare the student for success in the Associate Degree.

## Disclaimer

As TAFE SA courses are continually being developed, improved or replaced, you are advised to confirm all details of the course on the website [tafesa.edu.au/international](https://tafesa.edu.au/international) before application. Every effort has been made to ensure that the information contained in this publication is up-to-date at the time of printing. TAFE SA may amend details without notice and for any reason in response to changing circumstances. Further, TAFE SA reserves the right to change the content, course fees or the method of presentation of any course, or to withdraw any course that it offers.

In addition, fees listed are valid for students enrolled in the 2021 academic year only. Students enrolled in new programs should be aware that annual course fees could be subject to an increase for each year of study at TAFE SA. You will be liable for these fee increases, as well as any other incidental fees, on acceptance of your offer from TAFE SA.

Please check the TAFE SA website for current information and additional details.

## University Packaged Program Disclaimer

All durations are approximate. Credit given towards a university program may reduce overall course duration and/or study load. Students applying for Flinders University pathway will need to meet the university's English proficiency requirements before they enter their bachelor degree course. TAFE SA and Flinders University course fees may be subject to yearly increases. For some pathway courses, students are required to take certain electives during their TAFE SA qualification to be eligible for the full credit amount.
